RAND

CREATING HARMONY BETWEEN THE OCEANS AND HUMANKIND

Stylish Café Racer

Spirit 25 stands out as one of the most captivating luxury motorboats on the market. Featuring classical motorboat design references, Spirit 25 caters to the most discerning aesthetics while also appealing to those who seek raw performance and perfect handling. Spirit 25 reinvents the runabout class by incorporating the best aspects from a walkaround, offering free mobility along with the protection of a beautiful exterior behind its sporty lines and dark-tinted windscreen.

*All performance figures are calculated and are intended as an indication. These figures cannot be guaranteed, as top speed and duration are affected by the cleanliness of the hull, conditions of the propellers, weight carried, and the condition of the sea. Equipment selections and production processes may lead to variations in the boat's stated weight.

ENJOY THE MOBILITY OF A CENTER-CONSOLE COMBINED WITH A STYLISH EXTERIOR

Classy design, exceptional performance

FROM SPORT TO COMFORT

Spirit 25 represents a new approach to classic motorboats, showcasing a unique design resembling a stylish café sports boat. It stands as a testament to style, functionality, and raw performance, finding inspiration from the automotive industry and drawing comparisons, especially to classic Italian sports cars. This model offers the feeling of the ultimate race boat. It epitomizes the perfect marriage between sport and comfort, providing exceptional stability and balance on board to ensure a high level of comfort for both passengers and the captain.

ADAPTABILITY

As a part of RAND's innovative layout, you can find high

adaptability onboard, featuring a flipping pilot backrest that creates a café seating area, expansive storage rooms, and a flipping backrest on the aft sunbed. We also recognize that every boat owner has unique desires and preferences. Thus, we offer a wide range of customization options for Spirit 25 through our online configurator.

SOCIAL HANGOUT

The unique, functional layout of Spirit 25 allows you to adjust the pilot backrest, perfect for gathering around the middle table to enjoy moments at anchor. When it is time to relax and enjoy the sun, the backrest on the sunbed can also be folded to create seating for six or a comfortable sunbed for three.

Experience unmatched elegance & thrilling speed

FUSION OF A RUNABOUT & WALKAROUND

Combining the best features of walkarounds and sports boats, Spirit 25 provides the free moveability known from walkarounds, along with the protection and beautiful exterior from the sports windscreen, typically known from the classic runabout models. In essence, it offers a brand new and unique experience.

INTERACTIVE COCKPIT

The steering console is designed for effortless sailing, providing an extremely user-friendly interface where everything is within reach of the captain. The interactive touchscreen also includes navigation and sailing information, including speed, fuel consumption, light controls,

etc. As a part of RAND's intelligent boating, the steering console is fully connected to the RAND app, giving you real-time remote access, live updates, GPS fence for theft protection, intelligent AI user modes, and much more.

SUSTAINABILITY

The lightweight construction and efficient wave-piercing hull design of Spirit 25 result in significantly lower fuel or electricity consumption compared to traditional boats, making it an environmentally friendly choice within watersports, even when equipped with a gasoline engine. We use materials developed from recycled plastics and bio-based hybrids to optimize the environmental impact and create the best possible solution without compromising craftsmanship.

COMFORTABLE 3-PERSON AFT SUNBED

Powering your adventures

ELECTRIC PROPULSION

With electric propulsion, you will experience low running costs, almost non-existing maintenance, a silent motor, more advanced interface systems, plug-and-play simplicity, and environmentally friendly boating. The 170kW motor provides incredible acceleration and a top speed of 33 knots. Combined with a battery capacity of 78kWh, you have the opportunity for high-speed sailing as well as a long, silent cruise with a range of 50NM at 7 knots cruising speed and 20NM at 20 knots.

PETROL PROPULSION

Spirit 25 also comes with traditional petrol and diesel engines. You can choose from four different engines, both inboard and outboard, ranging from 250 to 300HP. With a tank capacity up to 198L, you have many hours of sailing with a cruise speed around 25 knots, and you can even reach a top speed of 48 knots.
